RECRUITING / TRAINING / DEPLOYING

Senior Carers, based in Edinburgh, connect highly trained staff with leading employers in the Care Sector.

Why choose Senior Carers?

With an industry that has high demands on Compliance and GDPR, Senior Carers have use of software suites, Recruitment pathways that ensure we have safer recruitment processes as per SSSC and other regulatory bodies.

At the top of our values list, we understand that every client and candidate are unique and no two booking requests are ever the same

To add our unique combination of expertise, insight and the Senior Carer Signature Training (SCST) allows us to leap frog our competitors in quality of candidates and delivery of care. This allows us to be consistent with our performance and grading indicators.
